

Hi

My name is Karin Axelsson and I am an educator at the public preschool in Högsby.

Unfortunately, we have not been able to start up the public preschool due to Covid-19 but we are now making an attempt to start with outdoor activities while we wait to be able to be in our premises at Familjecentralen.

You and your child/children up to 6 years of age are welcome to meet me here:

I will be in **Ruda**
on **Mondays at 13.00-15.30** starting week 36
See you at the playground by the square.

I will be in **Fågelfors**
on **Tuesdays at 13.00-15.30** starting week 36
See you at the playground in Kyrkogatan.

I will be in **Högsby**
on **Wednesdays at 8.30-12.00** starting week 36
See you at Rinken at Mötesplats Hanåsa

You can come whenever you want during this time and you can stay for as long as you want to. If you want to, bring some snacks or a fruit.

Follow our account on Instagram: [oppnaforskolanpusselbiten](#) to get information about changes and to keep up to date.

Do you have friends who have small children at home? Talk to them about this and they might want to come as well.

I hope we'll see each other!
